APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion and place of use of a portion of the underground water as heretofore granted under Permit No. 11196 is issued subject to the terms and conditions imposed in said Permit No. 11196 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the new point of diversion to facilitate the measurement and control of water. The State retains the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.5 cubic feet per second.

Actual construction work shall begin on or before November 1, 1948

Proof of commencement of work shall be filed before December 1, 1948

Work must be prosecuted with reasonable diligence and be completed on or before November 1, 1950

Proof of completion of work shall be filed before December 1, 1950

Application of water to beneficial use shall be made on or before

November 1, 1952 Proof of the application of water to beneficial use must be filed with State Engineer on or before December 1, 1952

Proof of commencement of work filed NOV 29 1948 WITNESS MY HAND AND SEAL this 3rd day

Proof of Completion of work filed DEC 8 1954

PROOF OF BENEFICIAL USE FILED DEC 8 1954 of May , 1948
